

Hurley Owners Association

Good morning Hurley Owners, hope you have, and are still enjoying this lovely spell of sunny weather which is continuing at present.

First let me apologise for not informing you earlier about the criteria for applying for consideration to be put forward for the 'Rose Bowl Award' which may be awarded at the annual HOA AGM in February after consideration by the committee. This award is given for an outstanding record of achievement by a current HOA member, which the committee agrees is worthy of the award.

To be eligible for nominations to be accepted, both the nominee and the proposer must be fully paid up current members of the association, and the proposer must have full permission to do so by the nominee.

All written nominations need to state reason for eligibility, or list details of achievement.

Examples

1. Mammoth Restoration – To include details and photographs.
2. A considerable Single Handed Journey - possibly in excess of 200 miles?

The usual deadline for nominations is by the end of Sept but due to my late request for nominees, I have extended the deadline to end of Oct for a possible 2019 AGM award.

Philip Kirby

Chairman
