NEWS FROM THE SOUTH WEST AREA

ANNUAL SOCIAL AT RPCYC November 21st 2014

This year's SW photo winner, Phil Kirby with his picture taken aboard H30/90 Magatha and holding the trophy.

Last year's SW achievement award winner Phil Biggs (H22 Gypsy) handing the beautifully shined trophy to Claire Templar both for her exploits in H22 Duet and her excellent, interesting and informative website "Little Yacht Duet", with lovely videos and descriptions of her trips.

After a poor year for numbers at rallies, 21 owners, crews and partners attended the end of season social, representing 12 boats. The yacht club staff looked after us very well in a room to ourselves looking onto the Sound and food was good. Kevin Mitchell, still a member though now owning a Sadler is currently in hospital for a routine operation. He sent a very warm note which was read out to express his appreciation of friends made and times enjoyed in his very active participation in the SW area. Awards were made and we welcomed a valuable, experienced and energetic new member in Claire Templar who also greatly reduces the average age!
