

GEORGE HURLEY
MEMORIAL TROPHY

The George Hurley

Memorial Trophy Awarded in

2021

to

Phil Kirby

For many years a committed and active member of the Association, including strong support of the South West group's activities. In 2017 he took on the role of Chairman of the Committee. The following two years presented some significant challenges to the future administration of the Association, including dealing with the potential impact of new regulations for data protection. He bore the main share of this burden which led, in 2019, to the decision to re-structure the Association to its present form. He has also maintained the Association archive and been a regular contributor to the online forum, offering encouragement and advice.

The GEORGE HURLEY MEMORIAL TROPHY was generously donated to the Association by Mrs Margret Miller, George and Marion Hurley's elder daughter, on the 50th Anniversary of the Hurley Line. This was celebrated at the 'Bring Your Hurley Home' rally in Plymouth in July 2016 and by the unveiling of a plaque on the site of the original factory in Richmond Walk by Mrs Marion Hurley and her family.
